

# CDC PROTECTS US ALL FROM INJURY

## IN MORE WAYS THAN YOU MAY KNOW

Cancer, Clusters, Dengue Fever, Rock, SARS, Mountain Spotted Fever, Brain Injury, Meningitis, Salmonella, Hand, Foot and Mouth, Unsafe Drinking Water, Hookworm Infection, Yersiniosis, Musculoskeletal Disorders, Needle Sticks, Ciguatera Fish Poisoning, Mass Casualties, Tularemia, Air Pollution, Lupus, Environmental Tobacco Smoke, Vitamin D Deficiency, Inadequate Dietary Calcium, Birth Defects, Disease, Angiostrongylidiasis, Rift Valley Fever, Hantavirus Pulmonary Syndrome, Hepatitis, Child Abuse, Intimate Partner Violence, Hemorrhagic Fever, Biosafety Hazards, Diabetes, Tobacco Use, Measles, Biological, Natural Disasters, Neurofibromatosis, Low Bone Mass, Juvenile Arthritis, Cardiovascular Disease, Health Inequalities, Premature Disability and Death, Dengue Fever, Osteoarthritis, Vaginosis, Hypertension, Chronic Diseases, Unhealthy Lifestyles, Health Threats, E. Coli Outbreaks, Obesity, Polluted Beaches, Pneumoconiosis, Bioterrorism, Environmental Health Threats, Suffocation, Biosafety Tuberculosis, Osteoporosis, Aging Public, Drug-Resistant Tuberculosis, Missed, Yellow Fever, Barriers to Health Care, Infectious Diseases, Foodborne Disease, Duchenne Muscular Dystrophy, Rabies, Heart Disease, Drug-Resistant Tuberculosis, Fractured Hip, Falls, Japanese Encephalitis, Unsafe Agents in Food, Osteoporosis, Rheumatoid Arthritis, Lupus, Mumps, Unprepared Communities, Sanitation, Health, Terrorism, Chemical Terrorism, Chemical Spills and Explosions, Avian Influenza, Contaminated, Bore Loss, Aspergillosis, Preterm Birth, Health Inequities, Threats, Spinal Cord Injuries, HIV/AIDS, Norovirus, Inherited Disorders in Monkeypox, Lymphocytic Choriomeningitis, Resistance, Drowning, Pedestrian Injury, Immunizations, Malaria, Variant CJD, Cruise, Pandemic Influenza, Tuberculosis, Hazardous, Stroke, Chagas Disease, Mosquito-borne Diseases, Ebola Hemorrhagic Fever, Polio, Rat Bite Fever, Air Pollution, Measles, Tick-borne Relapsing Fever, Threats, Mold, Cancers, Suicide, Lead Poisoning, Blast Injuries, Drug-Resistant Infections, Asphalt Fumes, Unsafe Blood Lead Levels, Black Lung, Bicycle Crashes, Violence Against Women, Health Disparities, Cancer Clusters, Yersiniosis, Unsafe Drinking Water, Gastroenteritis, Tularemia, Needle Sticks, Waste Sites, Encephalitis, Poor Nutrition, Tick Typhus, Cancer, Burns and Scalds, Natural Disasters, Teen Motor Vehicle, Eastern Equine Encephalitis, Salmonella, Brain Injury, Yersiniosis, Unsafe Tobacco Smoke, Mass Casualties, Bacterial, Hearing Loss, SARS-Meningitis, Hand, Foot and Mouth Disease, Unintentional Overdoses, Sexual Violence, Tobacco Use, Zoonotic Diseases, Pneumoconiosis, Neurofibromatosis, Biosafety Hazards, Work, Rocky Mountain Spotted Fever, Marburg Hemorrhagic Fever, Ciguatera Fish Poisoning, Mononucleosis, Osteoporosis, Birth Defects, Yellow Fever, Road Traffic, Musculoskeletal Disorders, Trauma Care, Ciguatera Fish Poisoning, Mononucleosis, Osteoporosis, Birth Defects, Yellow Fever, Road Traffic, Rift Valley Fever, Youth Violence, Inadequate Dietary Calcium, Osteoporosis, Birth Defects, Yellow Fever, Road Traffic, Crashes, Hantavirus Pulmonary Syndrome, Mononucleosis, Osteoporosis, Birth Defects, Yellow Fever, Road Traffic, Injuries, Diabetes, Tobacco Use, Zoonotic Diseases, Pneumoconiosis, Neurofibromatosis, Biosafety Hazards, Work, Crashes, Juvenile Arthritis, Winter Storms, Agricultural Injuries, Health Disparities, Pandemic Flu, Unsafe Work Conditions, Chronic Diseases, Measles, Biological, Health, Child Passenger Injuries, Senior Falls, Measles, Biological, Terrorism, Fractured Hip, Infectious Diseases, Aging Public, Barriers to Health Care, Infectious Diseases, Premature Disability and Death, Trauma Care, Osteoarthritis

THE CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC) HAS A PROVEN TRACK RECORD OF PROTECTING OUR NATION FROM EXISTING AND EMERGING HEALTH THREATS. PUTTING SCIENCE INTO PUBLIC HEALTH ACTION THROUGH ITS

NATIONAL, STATE AND LOCAL PARTNERS, THE CDC WORKS TO PREVENT AND CONTROL INJURIES, INFECTIOUS AND CHRONIC DISEASES, WORKPLACE HAZARDS, DISABILITIES, ENVIRONMENTAL HEALTH THREATS AND MUCH MORE.

REDUCE PREVENTABLE INJURIES – INCREASE THE CDC'S BUDGET

TO SUPPORT INCREASING THE CDC'S BUDGET AND TO LEARN MORE ABOUT THIS EFFORT, VISIT
